LĪHU'E – The Public Works Solid Waste Division reminds residents that Household Hazardous Waste (HHW) events are scheduled on March 26 and 27, from 8 a.m. to 3 p.m.

Saturday events on March 26 will be at the Hanapēpē and the Kapa'a base yards located at 4380 Lele Road and 4900 Kahau Road.

HHW events on Sunday, March 27, will occur at the Anaina Hou Community Park behind the mini-golf course at 5-2723 Kūhiō Highway and the Kaua'i Resource Center at 3460 Ahukini Road in front of the Līhu'e refuse transfer station.

Please do not bring refuse or electronic waste to the Household Hazardous Waste events. These items will not be accepted. This is for residential material drop-off only. Businesses, government agencies, non-profits, and farmers should not bring material here.

As a reminder, refuse transfer stations and the Kekaha Landfill will be closed on Saturday, March 26, in observance of the Prince Kūhiō Day Holiday. Transfer stations and the landfill will resume service on Sunday, March 27.

For questions or concerns, please call the Solid Waste Office at 808-241-4841 or visit the HHW website at www.kauai.gov/HHW.
